My understanding of today's UC meeting is it was clearly determined during the meeting that we were Not changing the Phase two end points and we should not give anyone the perception that we are. I will let the Captain as FOOSC and others provide there opinion from command

UC, during the today's UC meeting, it was passed along that the CA OSPR meeting with the NGOs was cancelled. It was not cancelled. CA OSPR met with NGOs. We are unaware of any direct involvement by anyone directly attached to this Refugio Incident.

The UC also asked for an update with additional meetings which could be of interest to the UC or this response. The following meetings are planned for the 2<sup>nd</sup>.

**1400-1500 at Goleta ICP – Phase II** comments and discussion. Currently, with CA OSPR Deputy Administrator (Yvonne Addassi), EUL from this response (Jennifer Gold), and SB County (Dianne Black). As there may be a perception that the inclusion of the EUL attending/participating in this meeting could indicate that the UC is open to changes to the established endpoints, I recommend the UC carefully consider whether

the EUL should attend/participate in this meeting.

**1500-1600 at Goleta ICP – Section 5** briefing for SB County (Dianne Black) with PAAPL SOFR, OPS, H-K Assoc. (Hollis), Geotechnical specialist, Aviation rep/Chumash rep.

Thanks, Tom
